

# Nutritional requirements and use of soybean products on aquaculture feed formulation

Nutrisoyfed

Canary Islands - Spain  
14-16 June 2016

## Tentative Program

### June Day 14, 2016 – Day 1

7:45	Bus collection at AC Hotel.
8:15 - 8:30	Registration and welcome by <b>Javier Roo, Course Coordinator</b> . Details of course organization.
08:30-08:45	Welcome to <b>ECOAQUA Institute</b> by Marisol Izquierdo, Director of the Institute. <b>M. Izquierdo</b>
08:45-09:30	<i>Recent advances in fish nutrition.</i> <b>M. Izquierdo</b>
09:45-10:45	<i>Emerging new species for Mediterranean Aquaculture: Nutritional studies with greater amberjack (<i>Seriola dumerilli</i>) larvae.</i> <b>J. Roo</b>
11:00-11:15	<b>Coffee break</b>
11:15-12:00	<i>Importance of nutrition for fish health and welfare.</i> <b>D. Montero.</b>
12:15-13:00.	<i>Emerging new species for Mediterranean Aquaculture: Nutritional studies with greater amberjack (<i>Seriola dumerilli</i>) and meagre (<i>Argyrosomus regius</i>) during the grow out.</i> <b>L. Robaina</b>
13:15-14:45	<b>Lunch break</b>
15:00-15:45	<i>Macronutrients requirements of marine fish species.</i> <b>P. Borges</b>
16:00-16:45	<i>Micronutrients supplementation and interactions.</i> <b>D. Dominguez</b>
17:00	Bus collection at PCTM.
20:30	Dinner at Glamour Restaurant.

## June Day 15, 2016 – Day 2

08:15	Bus collection at AC Hotel.
09:00-09:45	<i>Nutritional requirements of freshwater fish.</i> <b>D. Dominguez.</b>
10:00-10:45	<i>Raw materials for fish feeds. Ingredients and diets valorization following EU legislation.</i> <b>L. Robaina</b>
11:00-11:15	<b>Coffee break</b>
11:15-12:00	<i>Utilization of soybean products. Implications of culture conditions.</i> <b>J. Schrama</b>
12:15-13:00	<i>Novel alternative oils for fish feeds.</i> <b>D. Tocher</b>
13:15-14:45	<b>Lunch break</b>
14:45-17:30	<i>Practice: Micronutrient management and premix production.</i> <b>L. Robaina, P. Borges &amp; F. Robaina</b>
17:30	Bus collection at PCTM.
20:00	Bus collection at AC Hotel
20:30	Dinner at Sta. Catalina Hotel.
23:00	Bus collection at Sta. Catalina Hotel.

## June Day 16, 2016 – Day 3

09:00-09:45	<i>Feeds for hatcheries: broodstock, larvae and first feeding fry diets.</i> <b>M. Izquierdo</b>
10:00-10:45	<i>Epigenetic concept: Nutritional programming to improve performance of juveniles fed low fish meal and fish oil diets.</i> <b>M. Izquierdo</b>
11:00-11:15	<b>Coffee break</b>
11:15-12:00	Interactive feed formulation seminar. <b>L. Robaina/P. Borges together with all participants</b>
12:15-13:00	Final discussion and round table.
13:15-14:45	<b>Lunch break</b>
14:45-17:30	Visit to GIA laboratories and wet labs. <b>D. Montero</b>
17:30	Bus collection at PCTM.
20:00	Bus collection at AC Hotel.
20:30	Dinner at El Herreño restaurant.
23:00	Bus collection at El Herreño restaurant.
